

Good Neighbour Policy

Statement of intent

This nursery regards the importance of being good neighbours and our responsibility to the local community to be of high value.

Aim

Our aim is to encourage our staff, parents and children to be community spirited and to show awareness of other people's need for privacy and quality of life within their own residences.

Methods

- ★ All parents will be made aware when their child joins this nursery the need for responsible behaviour whilst on our premises. This will include:
 - Car parking – no unnecessary noise such as loud car music/radios etc. or horn blowing.
 - Parents should use designated car parking spaces within the nursery property and to be courteous to other users.
 - No litter should be dropped on or around the nursery property, or near neighbouring properties.

- ★ All staff will be made aware at their induction training that respect for our neighbour's privacy is of extreme importance. This will include:
 - Staff to ensure that children are engrossed in purposeful play while outside.
 - In accordance with the Early Years Foundation Stage, produced by The Department for Education and Employment, staff will incorporate into curriculum plans, activities that will help children reach the Early Learning Goal for 'Sense of Community'.
